There is a war going on in America over your children that has been raging for many years. We put a name to it in 2014, and called it "Medical Kidnapping," and then started a website called MedicalKidnap.com.

The purpose of this website was to give families a voice, to tell the world about how they had their children kidnapped from them by State government officials, working hand in hand with doctors.

We are talking about hundreds of thousands of cases all across this country happening every year.

The system that allows this to happen is the child social services system, which is a multi-billion dollar child trafficking system run by the U.S. Government and every State, which includes Foster Care and Adoption services.

If you are not familiar with this government-sponsored child trafficking business, see our previous coverage:

## The U.S. Foster Care System: Modern Day Slavery and Child Trafficking

## Child Kidnapping and Trafficking: A Lucrative U.S. Business Funded by Taxpayers

## From Child Protection to State-sponsored Child Kidnapping: How Did we Get Here?

The "authorities" who determine that a child should be kidnapped from their families due to medical reasons, today are primarily "Child Abuse Pediatricians," whose sole job is to find "medical child abuse."

If not enough parents were abusing their children, they would have no job. So they MUST find child abuse to fund their vocation.

Most of these doctors don't even interview the child or parents, or family pediatrician, but just look at x-rays and other "evidence" to determine that a child was abused.

We have written many articles exposing this depraved profession that preys on children and innocent families, and have even published an [eBook covering the history of this group of physicians](#). See:

Hydroxychloroquine Scandal Spurs Hundreds of Thousands to Protest in Europe, While Americans

Today, here in 2020, the COVID Plandemic is greatly increasing medical kidnapping, as all it takes now to remove a child from their home is a positive COVID test, either with the children, or the parents, to justify taking that child out of the home and putting them into the child trafficking system.

This Fall, when the planned "Second Wave" is going to hit, massive amounts of children are going to be medically kidnapped, probably at a pace we have never seen before. See:

## Coronavirus "Second Wave" – They're Coming for Your Kids

## The American Christian Church and Foster Care

The other major players who allow this wicked system to operate in the U.S., are American Christian Churches, which receive massive government funding to foster children and run group homes, where children are routinely abused and sexually trafficked.

The Evangelical Churches, the Catholic Churches, and the Mormons are the largest operators, but almost all Christian Churches participate. See:

As I have written many times over the years, if Christians would just stop taking government funds for Foster Care and Adoption, and refused to participate, it would cripple the system.

For the few children that really are abused in their homes, or are true orphans, churches and other non-profits are completely free to care for these children without taking government funding and participating in this evil, Satanic system.

## The Globalists are Pedophiles

It is a fact that the vast majority of children that are sexually trafficked today come out of the State-funded Foster Care system. See our previous coverage of this:

## Attorney Reporting in Newsweek: Foster Care is a System Set Up to Sex Traffic American Children

This convenient Child Sex Trafficking network called “foster care,” which is paid for by the American taxpayers, allows children to be trafficked to the rich and powerful.

## Child Sex Trafficking Through “Child Protection” Services Used by the Rich and Powerful?

This child sex trafficking business among the rich and powerful was exposed through the leaked Podesta emails in 2016 during the presidential elections.

It was referred to as “Pizzagate,” and the corporate media, controlled by the CIA and the Globalists, did everything they could to squelch it and label anyone reporting on it as “Fake News.”

Instead of investigating the global child sex trafficking ring among the richest and most powerful people in the world, instead they distracted the public’s attention by trying to first impeach President Trump, and then more recently looking into allegations of criminal election fraud with former President Obama.

But Pizzagate was, and always has been, the real story.

The Globalists at the highest level are not only pedophiles, but members of the Occult. I have covered this in my previous article:

## Unmasking Who is Behind the Plandemic and Rioting to Usher in the New World Order

The CIA has been behind much of the worldwide child sex trafficking industry, as [former FBI Director Ted Gunderson revealed in his lectures before he died.](#)

Because so much of this has been leaked to the public, at least to those who are not spoon-fed their information by the CIA-controlled corporate news media, they had to make some attempt to address this problem.

Enter QAnon. Much of what QAnon has revealed is actually true, but almost all of the predictions of “draining the swamp” by what many now believe to

And the one person who could have revealed most of this, Jeffrey Epstein, is nowhere to be found today. The official report is he was murdered, but most feel he either committed suicide, or is still alive somewhere safely in the hands of the Globalists.

## Arizona Human Trafficking Council

The other thing the American public should be aware of, is that many groups that claim to be fighting child sex trafficking, are probably actually facilitating it, at least behind the scenes.

We exposed this previously with Cindy McCain's *Arizona Human Trafficking Council*, setup by her and Governor Ducey. See:

### Is the Arizona Human Trafficking Council Preventing Child Trafficking, or Facilitating it?

Nothing has changed in Arizona as a result of her group and the massive amounts of funding they receive, as Arizona remains an International hub of child sex trafficking.

### Is Arizona a Hub of Child Sex Trafficking? Why does Arizona Take the Highest Percentage of Children from their Homes?

An event in Texas this past weekend (August 8, 2020) was covered by Breitbart News with the title:

### WATCH—Activists Protest Child Sex Trafficking in Fort Worth: 'It's Up to Us to Stop It'

leaders are.

[Home](#) [Subscribe](#) [The Medical Kidnap Show](#) [Peace with God](#) [About Us](#) [Resources](#) [Q](#)

The group that sponsored this event was [Unbound Fort Worth](#).

When you go to [About section Staff/Advisory Council](#), you can see the leaders. And among the groups these leaders belong to, you can see the usual suspects involved in foster care, medical kidnapping, and therefore, CHILD SEX TRAFFICKING. Child Abuse Pediatricians, religious leaders, and other community organizations who receive government funding all seem to be involved with this group.

I don't know this group, and I cannot positively say they are involved in child sex trafficking, but the first name on the "Advisory Council" is a Child Abuse Pediatrician associated with the CARE organization which is nationwide, and which we have covered in many of our articles in the past in participating in medical kidnapping. (Stacey Henley, RN, SANE – CARE Team Manager, [Cook Children's CARE team](#).)

Please get a copy of the [eBook on these Child Abuse Pediatricians](#) so you can understand how they operate. Knowledge is power!

They receive public funding, and so they are fair game to expose under the First Amendment. They have previously tried (unsuccessfully) to get *Health Impact News* to take down our stories exposing them. See:

## [Child Abuse Pediatricians: Exposing Their Role in Medical Kidnappings to the Public](#)

On the corporate side, pedophiles also run most of the nation's Wall Street big corporations, including the entertainment industry.

[ReallyGraceful](#) just produced a video today about the recent toy doll from the Trolls Hasbro franchise, which clearly shows the pedophile agenda in the corporate world today.

## Every Parent Should Know This is Happening

## Advice for Parents

Whatever you do, do NOT send your children back to school this fall, even if the schools in your area are allowed to open back up!

NOTHING positive can happen to your child by going to a school, public or private, if they are complying with mandates to mask, socially isolate, etc.

You will be giving the State every opportunity to kidnap your child!

If you have never homeschooled before, there are many very good resources on the Internet to help you get started.

Avoid getting your children or anyone else in your family tested for COVID. This will also give the State more opportunities to kidnap your child.

Be careful where you go in public to avoid the Contact Tracers. Keep your phone off or on airplane mode to avoid being tracked.

Band together with other homeschool families you trust to plan activities for your children.

If your group finds itself in public and being confronted with law enforcement or health officials who threaten you, do not comply, and resist!

Get the entire group to sit down on the ground, with your children in your lap or closely beside you, enforcing them to arrest or try to carry away a group of homeschool moms with their babies, and RECORD EVERYTHING!

We are at war! This is a battle against Satan himself, so learn how to band together and PRAY to confront the demonic spirits in your area, because ultimately that is where the battle is going to be decided.

Every child has a guardian angel, at least one, and banding together brings these angels together as well, to confront the demons.

**"See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of my Father who is in heaven." (Matthew 18:10)**

Social isolation, as well as many of the COVID mandates, have their roots in the Satanic Occult and CIA torture techniques. See:

## Children Have 0.00% Chance of Dying from COVID but are Harmed for Life by Social Distancing, Which has its Roots in CIA Torture Techniques

## The War Against COVID is Killing Our Children

Listen instead to the words of Jesus Christ in the Bible:

Truly, I say to you, whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed in heaven.

Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by my Father in heaven.

**For where two or three are gathered in my name, there am I among them.** (Matthew 18:18-20)

of the cartoon I am thinking about the connection with all the child kidnapping and trafficking with adrenochrome, the revolting and deeply sinful "longevity" drug of the elite. For those that haven't researched this yet, adrenochrome is the blood of a child who has been ritually sacrificed in a Satanic ceremony and tortured and terrified before death so that their blood is flooded with adrenal hormones, adrenalin, from their adrenal glands atop the kidneys. Hence the name, adrenochrome.

Ingesting this adrenalinised blood produces a "high" like nothing else and temporarily galvanises aging cells into a "rejuvenation." It is highly addicting and like any drug of addiction must be constantly escalated. You have to take more and more of it to get its effects. And if you ever stop, the crash both physically and psycho-spiritually, is devastating. If you are familiar with the story of the Portrait of Dorian Gray by famed British homosexual Oscar Wilde, so long as you keep taking the drug you remain youthful and beautiful in appearance. All the ravages that you are really inflicting on yourself appear on your "portrait" which is hidden in the attic. When you stop taking adrenochrome, you look like the portrait: aged, corrupted and hideous.

What is the connection with adrenochrome to child trafficking? It comes from children. There needs to be a constant and growing supply of children to sacrifice to feed the clandestine industry of the manufacture and distribution of adrenochrome. So kidnapped children are not just being sexually used in the most vile of ways. They are also being murdered, sacrificed ritually in Satanic worship ceremonies and their adrenalinised terrorised blood harvested and drunk by the ruling elite of our society.

Think all this is a paranoid fantasy and a gross exaggeration? Think again. Listen to the growing number of whistleblowers in Hollywood who are telling us about this. Type into a search engine "adrenochrome and trafficked children." You will be appalled. The elite's minions are even coming out of the woodwork and starting companies to harvest the blood of teenagers to sell as a longevity transfusion to aging rich clients. Look up the new company Ambrosia and its founder, Jesse Karmazin. This is the sanitised version of adrenochrome and it is just the tip of the iceberg.

The members of our ruling elite who have thrown in their lot and said yes to Satan are sinning against children in the most horrible and disgusting of ways. Jesus was particularly severe in his description of what should happen to those who harm children. Unless they individually repent and turn from and against all this, there is no way they can avoid the fires

the children you are kidnapping, turn from your wicked ways and turn to God. Otherwise your future is many orders of magnitude more horrible than anything you have been a part of inflicting on kidnapped and stolen children.

God is love. But for those who unrepentantly sin in these ghastly ways, His wrath is truly terrible.
