Today Queen Elizabeth and UK Prime Minister David Cameron were issued arrest warrants. The two were charged with sexual crimes against children as part of an international pedophile ring.

“We have enough evidence to prosecute and hold both the Prime Minister and Queen of England” said ex-Royal Military Policeman Matt Taylor.

Last Thursday Activist David Compan was released from the London Park Royal Mental Health Centre. The psychiatric facility had been swamped with calls about his forced detainment there. David, plus his wife, were arrested on three occasions this month – without being charged. His apparent “crime” was daring to post Brussels common law court arrest warrants on the Queen, Cameron, former Catholic Pope Joseph Ratzinger and 37 other global elites. www.itccs.org

The present Catholic Pope Francis Bergoglio was alleged to be part of child trafficking in an international pedophile ring. Victims who were prostituted as children at the Vatican have come forward, along with survivors who alleged they were abused in

international pedophile rings. Victims have also alleged sex abuse and murder of children by former Pope Ratzinger, Catholic Cardinal Bernard Alfrink of Utrecht, a second Catholic Cardinal, a French judge, Belgian priests, other members of the British Royal family and Prince Bernhard of Holland. <http://gettingreadyfor2015.wordpress.com/2014/01/25/matt-taylor-orders-the-immediate-arrest-of-david-cameron-the-queen/>

A former Argentine government official recently agreed to testify about Bergoglio's role in a pedophile ring during Argentina's Junta "Dirty War." A Brussels international Common Law court was slated on the matter to begin March 15 2014.

On Feb. 25 2013 six judges of a Brussels common law court found the Queen, Cameron, Ratzinger and 37 other global elites guilty in the disappearance of 50,000 Canadian indigent children. Cases were prosecuted by the International Tribunal into Crimes of Church and State, ITCCS. www.iclcj.com

Evidence presented could be reviewed in ITCCS's Kevin Annett's "Hidden No Longer" at www.hiddennolonger.com and www.ChildAbuseRecovery.com

Why common law courts?

Common Law court actions were proven effective. In Feb. 2013 Catholic Pope Joseph Ratzinger resigned within days of being issued his arrest warrant.

Should parents consider common law courts to protect their children?

Yes, evidently. On Oct. 10 1964 Queen Elizabeth and Prince Phillip were seen taking ten native children from the Canadian Kamloops Residential School. The age-ten children haven't been heard of since. Canadian courts refused to hear the case that also involved the 50,000 Canadian missing indigent children. (??)

Can all this possibly be true.....

Are we in danger if global elites were not held responsible for their crimes?

Evidently so. Two witnesses died of mysterious causes prior to the Feb. 2013 Brussels court that convicted the Queen, Cameron, former Pope Ratzinger and 37 other elites of Crimes Against Humanity.

Would our present court system prosecute international pedophile rings?

Evidently not. ITCCS efforts for excavation of 31 child mass grave sites of the 50,000 missing children have been thwarted since the first was discovered in 2008. The child mass grave sites were on grounds of 80 Canadian government-owned residential schools run by the Catholic and Anglican

churches and the United Church of Canada. Victims of the Catholic priest abuse scandal have seen very few perpetrators find the inside of a jail cell.

“It’s time to display documentation so that common law verdicts can be understood and enforced by the community” stated Kevin Annett of the ITCCS. Annett will explain common law court action today on the Radio Warrior *We the Jury* show at 4 pm EDT www.radiowarrior.ca.

Along with the March 15 common law court on Popes Bergoglio and Ratzinger, several common law court actions were being organized for 2014. Survivors came forward from Ireland Templemore Forgotten Victims, Canadian Friends and Relatives of the Disappeared, Italian Rete L’Abuso and in the US, United Against Church Terror, plus government mind-control and Satanic Ritual Abuse survivors from SMART <http://ritualabuse.us> and Child Abuse Recovery www.ChildAbuseRecovery.com

With help of legal experts and judges, the ITCCS has united survivors of genocide and child torture worldwide. ITCCS is active in 26 countries with over 50 affiliated groups.

The ITCCS operates from an undisclosed central headquarters in Brussels, Belgium and regional offices in Vancouver, New York, Dublin, London and Paris. ITCCS officers and their legal and political advisers generally retain their anonymity for reasons of security.
